

# DESIGN PUBLIC HEARING

## Project Title (Alford), MA

### What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the West Road over Scribner Brook project in Alford, MA.

### How will this affect you?

The proposed project consists of a complete replacement of the Bridge No. A-06-004 (West Road over Scribner Brook). The existing horizontal alignment and superelevation shall be maintained in general with radius and superelevation corrections to meet the design speed.. The entire east side of the roadway has Agricultural Preservation Restrictions (APR). No pedestrian facilities currently exist on the bridge or approaches. Therefore, the project is exempt from Pedestrian Facilities design requirements. The proposed design is exempt from the need to comply with bicycle facilities.

### When

Tuesday, December 21<sup>st</sup>, 2021  
at 6:30 pm

### Attend

[www.mass.gov/massdot-highway-design-public-hearings](http://www.mass.gov/massdot-highway-design-public-hearings)

**Please note this meeting will be recorded. Information will be available on the website starting on (seven days after event).**

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact by phone 857-368-8580, fax [857-368-0602], relay 7-1-1, or by email [MassDOT.CivilRights@dot.state.ma.us]. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: [massdotprojectmanagement@dot.state.ma.us](mailto:massdotprojectmanagement@dot.state.ma.us)

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavallee, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 609070**
