

MassDOT Project No. 612193

Andover-Methuen Bridge Preservation

What is happening?

MassDOT is holding a Design Public Hearing for the preservation of the bridge carrying I-93 over the Merrimack River across the town line between Andover and Methuen. This project includes replacement of the bridge deck, replacement of barriers to meet current safety standards, and necessary repairs to the structure to ensure the bridge provides service to the public for years to come. This hearing will be a chance for the public to learn about the project, ask questions, and provide comments and/or concerns. This hearing will be recorded and made available to the public.

How will this affect you?

I-93 is a major, heavily trafficked artery which provides a key link between Boston and New Hampshire as it crosses the Merrimack River. This bridge preservation project will involve traffic shifts as well as ramp detours and full traffic crossovers during select weekends to facilitate construction with the minimal amount of impact to the traveling public practical.

When

Wednesday, June 25th
6:00 PM EST

Attend

[Andover – Bridge preservation, Br# A-09-022, I-93 over Merrimack River | Mass.gov](#)

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to MassDOTMajorProjects@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. 612193**
