

# Design Public Hearing Intersection Improvements At Route 2A and Brookside Road Athol, MA

## What is happening?

MassDOT is holding a Design Public Hearing to present the design of a roundabout and safety improvements at the intersection of Route 2A and Brookside Road in Athol, MA. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

## How will this affect you?

The proposed project consists of a single lane roundabout at Route 2A and Brookside Road. There is shared-use paths along the outside of the roundabout, with curb ramps to allow connection to on-street bicycle lanes on South Main. The improvements include enhanced lane usage markings, drainage, and signage, A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. MassDOT’s policy concerning land acquisitions will be presented in the hearing.
