

ATTLEBORO
MASSACHUSETTS

Design Public Hearing for South Avenue (Route 123) Improvements

What is happening?

The purpose of this meeting is to provide residents of Attleboro and adjoining communities with an opportunity to become fully acquainted with proposed roadway, bicycle, and pedestrian accommodation improvements to South Avenue (Route 123) from Lathrop Road to Snell Street (approximately a half a mile). The project is currently in preliminary design. The meeting will address the overview of the project, project schedule, and anticipated traffic impacts during construction.

How will this affect you?

Pedestrian and vehicular access will be maintained during construction on South Avenue (Route 123). There will be right of way impacts as part of this project.
