

VIRTUAL DESIGN PUBLIC HEARING

Intersection Improvements at Route 28, Spring Street and Harrison Boulevard, Avon, MA

What is happening?

A Virtual Design Public Hearing will be hosted to provide the public with the opportunity to become fully acquainted with the Intersection Improvements at Route 28, Spring Street and Harrison Boulevard Project, in Avon, MA.

How will this affect you?

The proposed project consists of improving overall safety and reducing the number of injuries and crashes at the unsignalized intersection of East and West Spring Street and Route 28 with a new traffic signal. There will be improvements on West Spring Street and Harrison Blvd to eliminate vehicle conflict points and speed reduction measures. There will be enhancements to pedestrian and bicycle accommodations which include a 10-foot shared-use path on the eastern side of Route 28 along with curb ramps and crosswalks. A new bike and pedestrian access to School Street from Route 28 have been planned with this project.
