

Design Public Hearing – Route 132 Park and Ride Expansion And Improvements

What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Route 132 Park & Ride Expansion and Improvements project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of expanding the existing facility by adding 270 vehicle parking spaces, including pick-up/drop off area, accessible parking, electrical vehicle charging stations; replacing the existing bus passenger shelters with new larger ones, accessible pedestrian facilities, and improved lighting.
