

Design Public Hearing

BROCKTON – Intersection Improvements and Related Work at Centre Street (Route 123), Cary Street and Lyman Street

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the Intersection Improvements and Related Work at Centre Street (Route 123), Cary Street and Lyman Street Project in Brockton, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The project intersection is included on MassDOT's list of the Top 200 high-crash locations statewide in recent years. The lack of left-turn lanes causes safety concerns resulting in angle and rear-end crashes as well as congestion, delaying emergency vehicles traveling to and from the nearby Brockton Hospital. The existing pedestrian and bicycle infrastructure needs improvement. The curb radii are too small to accommodate all vehicles. The Project proposes to reconstruct the intersection to provide left-turn lanes on Route 123, replace the signal equipment to provide overhead indications, and upgrade pedestrian and bicycle infrastructure to meet current standards.

When

Tuesday, April 26, 2022
7:00-8:00pm

Attend

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be transcribed by a stenographer.

Visit www.mass.gov/massdot-highway-design-public-hearings for more information.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857) 368-8580, fax (857) 368-0602, relay 7-1-1, or by email to MassDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to MassDOTProjectManagement@dot.state.ma.us
Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavallee, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention Project Management, PROJECT FILE NO. 609410**
