

Design Public Hearing

Reconstruction and Bicycle Accommodations on Route 112

Buckland, MA

What is happening?

MassDOT is holding a Design Public Hearing to present the design of the Buckland Reconstruction of Route 112 Project. The project will provide improved bicycle and pedestrian accommodations along the corridor to encourage students to walk and bike from the village of Shelburne Falls and the surrounding area to the Mohawk Trail Regional High School and the Buckland Recreation Area.

How will this affect you?

The project proposes full depth pavement repair to address deteriorating roadway conditions, widens the roadway to accommodate a buffered bicycle lane, constructs a new sidewalk for pedestrian accommodation, and replaces an existing culvert that is failing and in need of replacement to improve existing drainage and flooding issues throughout the corridor.

When

Thursday, April 16, 2026
7:00 PM

Where

Buckland Town Hall
17 State Street
Shelburne Falls, MA 01370

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to DOTHighwayDesign@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: HIGHWAY DESIGN, PROJECT FILE NO. 607610.**
