

Virtual Design Public Hearing

Cambridge - Alewife Brook Parkway Over MBTA Red Line Tunnel Bridge Superstructure Replacement

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the proposed bridge superstructure replacement project. There will be an opportunity for public comment and questions following the presentation. All public comments will be considered to the extent practical.

How will this affect you?

This Project will include replacing the bridge superstructure which carries Alewife Brook Parkway, US Route 3, Route 16, and Route 2 over the MBTA Redline tunnel. MassDOT invites you to attend the Design Public Hearing to learn more about the need for the Project, the work to be performed, the schedule, potential impacts to the public (including vehicular and pedestrian/bicyclists), and the next steps.
