

Revere Court Bridge Replacement Live Virtual Public Hearing

What is happening?

The Purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Revere Court Bridge Replacement Project in Canton, MA. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

As the only access to a dead-end road, Revere Court over Neponset River Bridge has been rated in poor condition according to the last inspection report from MassDOT. A new, permanent bridge is therefore required to ensure the safe movement of traffic. MassDOT proposes to provide access on the existing bridge stage one of the proposed bridge is constructed to maintain access.
