Design Public Hearing

What is happening?

A design public hearing will be held to gather public input on the proposed Mary C. Burke Elementary Safe Routes To School project.

How will this affect you?

The project proposes to upgrade the existing traffic signal at the intersection of Eastern Avenue with Stockton Street and the geometry of the intersection itself. A 10-foot-wide shared-use path for pedestrians and bicyclists will also be constructed along the west side of Eastern Avenue. The Toomey Square roadway will be closed.
