

# Design Public Hearing

## Sand Mill Road over Dry Brook

### Cheshire, MA

#### What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Sand Mill Road over Dry Brook Bridge Replacement project in Cheshire MA. The hearing will be live but online/virtual only. Access to the hearing can be found on the mass.gov website listed below.

#### How will this affect you?

The proposed project consists of the replacement of the Sand Mill Road Bridge over Dry Brook. The proposed bridge will be widened to include travel lanes and shoulders on both sides of the bridge. Currently there are no bicycle facilities within close proximity of the bridge and none are proposed. Proposed concrete abutments and wingwalls will support the new bridge span over Dry Brook. Improvements are also proposed to the roadway approaches and protective guardrail on both ends of the bridge. Overhead wires will be temporarily relocated upstream and services will be maintained during construction. Some tree clearing and trimming will be required and stone riprap will be placed in front of the concrete wingwalls to stabilize the slopes. The bridge will be closed to traffic and a full detour will be provided.

#### When

**Thursday, March 10, 2022**  
**7:00 PM**

#### Attend

[www.mass.gov/massdot-highway-design-public-hearings](http://www.mass.gov/massdot-highway-design-public-hearings)

**Please Information will be available on the website starting on March 1, 2022.**

 This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: [dotfeedbackhighway@dot.state.ma.us](mailto:dotfeedbackhighway@dot.state.ma.us)

Please submit any written statements regarding the proposed undertaking to: Carrie E. Lavalley, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Major Projects, PROJECT FILE NO. [FILE NO.]
