

# Dartmouth – Cross Road Improvements Virtual Design Public Hearing

## What is happening?

MassDOT is holding a public information meeting to update residents and other project stakeholders on the proposed roadway improvement project on Cross Road Corridor Improvements in Dartmouth. The project will rehabilitate the existing roadway, incorporate bicycle accommodations, upgrade pedestrian facilities, and improve drainage.

## How will this affect you?

The project intends to make improvements to Town infrastructure which will include pavement rehabilitation, installation of new curbing, sidewalks, ADA compliant ramps, crosswalks, closed drainage system improvements, and a 10-foot side path along western side of Cross Road. The estimated construction cost for the project is approximately \$7 million dollars, which is being funded through the Federal Highway Administration and MassDOT.

## When

Thursday, December 5, 2024  
6:30 PM – 7:30 PM

## Attend
