

Avery Elementary Safe Routes to School Design Public Hearing

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the Avery Elementary Safe Routes to School project in Dedham, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

Currently, Whiting Avenue lacks dedicated bicycle accommodations and compliant sidewalks. The intersection of Whiting Avenue and Walnut Street is mapped as a regionally high crash intersection. The proposed project will look to improve safety, mobility, and access to the Avery Elementary School, encourage alternative and healthy modes of transportation to school by providing dedicated bicycle accommodations, upgraded sidewalks, and installing a traffic signal at the intersection of Whiting Avenue and Walnut Street.

When

Wednesday, March 5, 2025
7:00 PM

Where

Dedham Town Hall
450 Washington Street
Dedham, MA 02026
O'Brien Meeting Room, 3rd Floor
