

Design Public Hearing Improvements at Mary L. Fonseca Elementary School (SRTS)

What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed improvements associated with the Mary L. Fonseca Elementary School (SRTS) project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consist of several improvements including an 8' sidepath, and the installation of pedestrian curb ramps compliant with The Americans with Disabilities Act (ADA/PROWAG) and applicable design guides. The project area generally includes the intersection with Bedford Street, North Quarry Street, London Street and N Wall Street. Work on North Quarry Street spans approximately 0.3 miles, work on London Street spans approximately 0.1 miles, and work on N Wall Street spans approximately 0.19 miles.
