

Design Public Hearing Reconstruction Of John Fitch Highway Fitchburg, MA

What is happening?

MassDOT is holding a Design Public Hearing to present the reconstruction of John Fitch Highway in Fitchburg, MA. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

This project focuses on a 1.0-mile segment of John Fitch Highway in Fitchburg, Massachusetts. The project consists of full-deep pavement reconstruction of John Fitch Highway, two 11-foot-wide vehicle travel lanes with 4-foot-wide shoulders, sidewalks, curb ramps, midblock crosswalks rectangular rapid flashing beacons, bike accommodation, sustainable treatment of stormwater run-off and improved intersections at John Fitch Highway/Upham Street and John Fitch Highway & the Wallace Plaza north at south driveway.
