

Culvert Replacement on Route 126 (Hollis Street) over Waushakum Pond Brook Virtual Design Public Hearing

What is happening?

The purpose of this Virtual Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the culvert replacement project located on Route 126 (Hollis Street) over Waushakum Pond Brook in Framingham, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The purpose of this project is to replace an existing culvert that is currently in damaged condition. Sufficient space will be allotted for future improved pedestrian and bicycle accommodations. Sidewalks currently exist within the project limits and will be brought up to current standards. A secure Right-Of-Way is necessary for the subject project thus temporary and permanent easements will be required. The roadway within this project has the potential to be detoured during some phases of construction.
