

# Virtual Design Public Hearing

## Border to Boston Project - 607542

### What is happening?

MassDOT will be hosting a virtual Design Public Hearing on May 1, 2025, to present the current preliminary design plans. Construction impacts, environmental permitting, and Right-of-Way impacts will also be presented. A question and discussion session will be held at the end of the presentation.

### How will this affect you?

The proposed project consists of approximately 2.6 miles of off-road shared use trail facility stretching from West Main Street (Route 97) to the Georgetown-Newbury Town Line. The Newbury off-road section of the Border to Boston Trail is approximately 0.7 miles between the Town Line and Church Street. The project proposes eight (8) at-grade roadway crossings and one (1) on-roadway segments.

A secure right-of-way is necessary for this project. Acquisitions in fee and permanent or temporary easements may be required. The municipalities are responsible for acquiring all needed rights in private or public lands.

### When

Thursday May 1, 2025  
6:00pm EST

### Attend

[www.mass.gov/orgs/highway-division/events](http://www.mass.gov/orgs/highway-division/events)

**Visit the MassDOT Highway Events website for more information or to view a recording of the presentation if you are unable to attend the meeting.**

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or [MassDOT.CivilRights@dot.state.ma.us](mailto:MassDOT.CivilRights@dot.state.ma.us). For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to [MassDOTProjectManagement@dot.state.ma.us](mailto:MassDOTProjectManagement@dot.state.ma.us). Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. 607542**
