

VIRTUAL DESIGN PUBLIC HEARING

Resurfacing and Related Work on Cabot Street and Race Street (Center City Connector) Holyoke, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Resurfacing and related work on Cabot Street and Race Street (Center City Connector) project in Holyoke, MA

How will this affect you?

The project improvements include traffic signal reconstruction at the intersections of Cabot Street and Main Street and at the intersection of Cabot and North and South Canal Streets. Other project features include sidewalk improvements along Cabot Street, bike lanes along Cabot Street, a Shared-Use path and sidewalk improvements along Race Street, pavement rehabilitation along Cabot and Race Streets, and pedestrian improvements at intersections.

When Wednesday, , November 10, 2021 7:00 PM to 8:00 PM

Attend www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website starting on October 21, 2021.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please Janhavi Limaye by phone 617.413.4120, or by email Janhavi.b.limaye@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavallee, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 609065**
