

# Virtual Design Public Hearing Reconstruction of Central Street & South Main Street, Ipswich, MA

## What is happening?

A Design Public Hearing will be held online (see date, time, and link below) for the proposed improvements along Central Street and South Main Street from Mineral Street to County Road. The project consists of corridor and intersection improvements on Central Street and South Main Street including the intersections of Central Street, North Main Street, South Main Street and Market Street (Market Square); and South Main Street, County Road and Poplar Street; and includes reconfiguration of traffic patterns at both intersections, traffic signal installation at Market Square, pavement rehabilitation, new sidewalks, ADA compliant curb ramps, crosswalks, bicycle accommodations, and stormwater system improvements.

## How will this affect you?

The proposed project will enhance safety for all users, improve traffic operations and circulation, improve accessibility for pedestrians, and provide accommodations for cyclists.

## When

JANUARY 14, 2025  
6:30 PM EST

## Attend
