

Intersection Reconstruction at Marston Street & East Haverhill Street Virtual Design Public Hearing

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the Intersection Reconstruction Project at Marston Street and East Haverhill Street in Lawrence, MA. All views and comments made at this hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

Reconstruction of this intersection will include the construction of a fully actuated traffic signal, geometric modifications, sidewalk rehabilitation to meet current ADA standards, and the construction of a shared use path throughout the project area. Temporary and permanent easements will be required and roadways within the project area will remain open to traffic throughout construction.

When

September 27, 2021
6:00PM – 7:30PM

Attend
