

Virtual Design Public Hearing

Resurfacing & Related Work on Route 20

Lee, MA

What is happening?

A Virtual Design Public Hearing will be held to allow the public to become aware of the resurfacing of Route 20 and maintenance repairs to bridge structures L-05-024 (over Greenwater Brook) and L-05-052 (over I-90) in Lee, MA. All views and comments submitted in response to this hearing will be reviewed and considered to the maximum extent possible. This segment of roadway is not part of a local or regional planned bicycle, transit, or pedestrian route.

How will this affect you?

- Route 20 will be repaved from Greenwater Brook to the Lee/Beckett boundary
- Maintenance repairs to the bridge structures over Greenwater Brook and Mass Pike (I-90)
- As part of construction, travel lanes will mainly be controlled with flagging. Traffic over the Mass Pike (I-90) bridge deck will be a single lane controlled with a temporary traffic signal.

When

Tuesday July 7, 2006
6:00 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Visit www.mass.gov/massdot-highway-design-public-hearings for more information or to view a recording of the presentation if you are unable to attend the meeting.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857) 368-8580, fax (857) 368-0602, relay 7-1-1, or by email to MassDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to MassDOTProjectManagement@dot.state.ma.us
Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. 610728**
