

Lowell-Tewksbury Route 38 Intersection Improvements

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the proposed Route 38 Intersection Improvements. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

This project proposes improve traffic safety and mobility along the proposed corridor along Route 38 by updating traffic signal controls and hardware, along with pedestrian ramp modifications to improve ADA accessibility.
