

Virtual Design Public Hearing

Reconstruction of Route 106 in the Town of Mansfield

What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Corridor Improvements on Chauncy St (Rte.106) from State Route 140 to Copeland Drive.

How will this affect you?

A secure Right-Of-Way is necessary for the subject project. Temporary & Permanent easements will be required for the construction of the project. Roadways within the project area will remain open to the traffic throughout the construction phase. Access to all residences & businesses will be maintained during construction phase. Abutters will be notified 24 hours in advance should access to their property need to be restricted.
