

DESIGN PUBLIC HEARING

Corridor Improvements and Related Work on Main Street, Water Street, Beacon Street and Marion Road Mattapoissett, MA

What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Corridor Improvements and Related Work on Main Street, Water Street, Beacon Street and Marion Road project in Mattapoissett. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of the reconstruction of Main Street, Water Street, Beacon Street and Marion Road between Tobey Lane and Route 6 (a total distance of approximately 1.39 miles). The project will include construction of new concrete sidewalks, varying from 5 feet to 11 feet wide, on at least one side of the roadway for the entire length. Other improvements consist of replacement of the existing closed drainage and water distribution systems, and full-depth pavement reconstruction.
