

Lake Cochituate Path

What is happening?

A Design Public Hearing will be held by MassDOT in Natick to present an overview of the proposed Lake Cochituate Path Project in Natick. MassDOT invites you to attend the Design Public Hearing to learn more about the need for the Project, work to be performed, schedule, potential impacts to the public (including vehicular and pedestrian/ bicyclists), and next steps. All views and comments will be considered to the maximum extent possible.

How will this affect you?

This Project will include constructing an approximate 0.4-mile segment of shared-use path along Route 9, from Archer Drive to Cochituate Rail Trail. A secure right-of-way is necessary for this Project. Acquisitions in fee and permanent or temporary easements may be required. The Commonwealth of Massachusetts is responsible for acquiring all needed rights in private or public lands. MassDOT's policy concerning land acquisitions will be presented in the hearing.

When

October 30th, 2023
6:30 pm EST

Where

Natick Town Hall
Dlott Meeting Room, 2nd Floor
13 E Central Street
Natick, MA, 01760
