

# New Bedford / Fairhaven Bridge Replacement of the US Route 6 over the Acushnet River Bridge. Virtual / In-Person Public Information Meeting

**What is happening?** The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Bridge Replacement project, US Route 6 over the Acushnet River. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

**How will this affect you?** The proposed project includes the replacement of US Route 6 over the Acushnet River, this is a movable span bridge. The existing Route 6 corridor will be maintained. A full roadway closure and detour at the movable span will be necessary during portions of the project. The Navigation Channel will be maintained through short-term closures. Navigation will be required and coordinated with USCG.
