

Virtual Design Public Hearing-

North Andover – Route 114 Corridor Improvements

Project File No. 608095

What is happening?

A live virtual design public hearing will be hosted at the website below on Thursday, October 28, 2021 at 7:00 PM to discuss the proposed design for Corridor Improvements along Route 114 in North Andover, MA. MassDOT welcomes your input for consideration in the design process.

How will this affect you?

The project work mainly includes roadway widening, geometry and traffic signal improvements at project area intersections, continuous sidewalks and bicycle accommodations that are separated from vehicular traffic (via a shared use path) along the full length of the Route 114 corridor. Seven existing traffic signals will be upgraded, and two additional intersections will become signal controlled. Traffic signals within the project area will be interconnected and will utilize adaptive signal control. The project also includes a culvert replacement, drainage improvements, utility relocations and landscaping elements.

When

Thursday, October 28, 2021
7:00 PM to 8:30 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website link above starting on Thursday, October 14, 2021.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), fax (857-368-0602), relay 7-1-1, or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavalley, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management, PROJECT FILE NO. 608095**
