

The Massachusetts Department of Transportation invites you to a

25% Design Public Hearing
for the
Safe Routes to School Infrastructure Improvements
Northampton, MA
Project File No. 609515

Wednesday, June 2, 2021
Presentation/Q&A from 7:00 – 8:30 PM

www.mass.gov/massdot-highway-design-public-hearings

You are invited to join MassDOT at a virtual Design Public Hearing regarding sidewalk enhancements and pedestrian crossing and safety improvements along Parsons Street, Bridge Street (Route 9), Pomeroy Terrace, and Hawley Street in Northampton. A presentation will be made at 7:00 PM and will be followed by an opportunity for questions and comments with the Project Team.

The presentation will include a review of the existing conditions as well as a discussion of the preliminary concepts that are currently being considered prior to advancing to the final stages of design. All views and comments made at the meeting will be reviewed and considered to the maximum extent possible.
