

# Design Public Hearing- Replacement of Bridge, O-03-015 (14X), Brookside Road over G&W Railroad - Orange, MA

## What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Replacement of Bridge, O-03-015 (14X), Brookside Road over the G&W Railroad. Public comment and concerns are being solicited and will be reviewed and considered to the maximum extent possible.

## How will this affect you?

The proposed project consists of a full bridge replacement at the Brookside Road Bridge over the G&W Railroad, in the Town of Orange. This proposed project will include a 5-foot concrete sidewalk on the east side of the bridge. No formal bicycle facilities are proposed, which is consistent with the roadway's local classification and limited cycling demand. The current detour route that is in place is being considered as the main detour during construction.
