

## Virtual Design Public Hearing

### Bridge Replacement, Leicester Road Over The French River

#### What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Bridge Replacement, O-06-030, (St 56) Leicester Road over The French River project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

#### How will this affect you?

The proposed project consists of replacing the bridge deck, increasing safety, and improving operations of the roadway. The bridge deck will be replaced under full closure, utilizing accelerated bridge construction methods and separate detour routes for cars and trucks that will be posted. Safety improvements consisting of new guardrail, pavement markings are proposed. Significant widening of the bridge is not part of this project, however a minimum 6-foot shoulder on both sides of the bridge will be provided to facilitate pedestrian and bicyclist access.
