

NOTICE OF A PUBLIC HEARING

PROJECT FILE NO. 608933

A live online Public Hearing will be hosted on the MassDOT website below on June, 23, 2001 at 7PM to present the proposed Rehabilitation of Central Street project in Peabody, MA.

<https://www.mass.gov/massdot-highway-design-public-hearings>

PURPOSE: The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed Rehabilitation of Central Street project. All comments submitted in response to this event will be reviewed and considered to the maximum extent possible.

PROPOSAL: The proposed project consists of repaving and replacing sidewalk along Central Street from Walnut Street to the intersection the Central Street, Endicott Street, Andover Street, and Pulaski Street intersection, and also Pulaski Street from this intersection to Buxton Lane. Improvements will include a 5-foot bicycle lane in each direction throughout the project, including buffered bicycle lanes, where possible, and an on-street parking lane along the west side of Central Street.

At Wilson Square, a 10-foot asphalt shared use path will be incorporated on Central Street and continue down Pulaski Street. Drainage will be improved throughout the project corridor. The Central Street and Walnut Street traffic signal will receive updated signal timing. The signal at Central Street and Warren Street will be replaced and include Tremont Street. Buxton Street will be realigned on to Pulaski Street to provide a safer entrance and more sight distance.

Please submit any written statements regarding the proposed undertaking to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 608933
Project inquiries may also be emailed to MassDOTProjectManagement@dot.state.ma.us
