

NOTICE OF A PUBLIC HEARING *WEBINAR*

PROJECT FILE NO. 608850

A pre-recorded Design Public Hearing webinar will be posted to the MassDOT website below on July 17th, 2020 to present the proposed Glen Valley Road over East Branch of Swift River Bridge Replacement project in Petersham, MA.

<https://www.mass.gov/massdot-highway-design-public-hearings>

PURPOSE: The purpose of this webinar is to provide the public with the opportunity to become fully acquainted with the proposed Glen Valley Road over East Branch of Swift River Bridge Replacement project. All comments submitted in response to the webinar will be reviewed and considered to the maximum extent possible.

PROPOSAL: The proposed project consists of removing the temporary truss bridge, constructing new abutments, constructing a new steel beam bridge, paving the road within the project limits, and installing guardrail. The final constructed road will be 18 feet wide supporting shared use for pedestrian, bicycle and vehicular traffic. The road will be closed during construction and a detour established. The detour is estimated to be in place for 12 months.

Please submit any written statements regarding the proposed undertaking to Patricia A. Leavenworth, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: BRIDGE PROJECT MANAGEMENT, PROJECT FILE NO. 608850
Project inquiries may also be emailed to dot.feedback.highway@state.ma.us.
