

DESIGN PUBLIC HEARING

SUPERSTRUCTURE REPLACEMENT, P-10-002, HOLMES ROAD OVER HOUSATONIC RAILROAD

PITTSFIED, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the Superstructure Replacement project in Pittsfield, MA.

How will this affect you? The proposed project consists of the replacement of the existing bridge superstructure with a new superstructure at the same location with minimal and limited approach work in both directions. The new proposed roadway and sidewalk width will remain approximately the same as the existing widths, except that the usable space will be altered to provide two 10-foot travel lanes, with shoulders that will allow bicycle accommodation in both the northbound and southbound directions. The sidewalk will be replaced on the east side of the bridge, and the safety curb will be replaced on the west side. The project will be constructed during the summer of 2023 using a full closure of Holmes Road with a signed traffic detour.

When

Wednesday, March 9, 2022
Time: 6:30 – 8:00 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website starting on (seven days after event).

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavallee, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 609517**
