

Virtual Design Public Hearing Reading, Stoneham, and Wakefield Improvements on I-95 Northbound Project

What is happening?

The purpose of this hearing is to provide the public with the opportunity to become fully acquainted with the proposed project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of adding a fifth lane on I-95 northbound between I-93 and Route 28 northbound offramp and a fourth lane between Route 28 and North Avenue. Safety improvements include updated signage and striping and wider shoulders. To reduce traffic noise along the project corridor noise barriers are proposed along both I-95 northbound and southbound. Bicycle and pedestrian accommodations cannot be built on interstate highways.

When

April 9th, 2026
6:30 PM EST
