

MassDOT Project #607710 - Salisbury Resurfacing and Related Work on Route 1A

What is happening?

The proposed project consists of the reconstruction of a portion of Route 1A (North End Boulevard) in Salisbury; construction of a 2-way separated bike lane including crossings; sidewalk and pedestrian curb ramp construction; reconstruction of driveway aprons; removing and replacing guardrail and fence as needed; adjusting, cleaning, rebuilding, and upgrading drainage structures; replacement of drainage structure frames, grates, and covers as needed; removing and resetting granite curbing; replacing any broken granite curbing; removing and resetting of traffic signs; placing final pavement markings; and completing incidental items and as required by the Engineer. Bicycle accommodations consisting of a 2-way separated bike lane have been provided in accordance with applicable design guides.

How will this affect you?

No construction start date of the proposed project has been set yet since it is currently in the preliminary design stage.

When

Tuesday, February 8, 2022
7:00 PM to 9:00 PM

Attend

Please look for meeting link in:
