

Sheffield - Bridge Replacement, S-10-015, Kelsey Road Over Schenob Brook

What is happening?

The purpose of this Virtual Design Public Hearing is to provide the public the opportunity to become fully acquainted with the Kelsey Road over Schenob Brook Bridge Replacement project in Sheffield, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

This bridge was built in 1915, is maintained by the Town of Sheffield, and is structurally deficient due to corroded steel beams. The project aims to replace the bridge along a similar alignment with minimal roadway alterations while minimizing impacts on adjacent wetlands and preserving the surrounding environment.
