

Southbridge - Mill Street Bridges Over McKinstry Brook & Quinebaug River Design Public Hearing

What is happening?

The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the Mill Street Bridges project in Southbridge, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

This project will replace the bridge on Mill Street over McKinstry Brook and make substructure repairs to the bridge on Mill Street over Quinebaug River. Additionally, sideway improvements are also included in this project.

It is anticipated that Mill Street will be closed at each location during construction. Detour routes for vehicles, pedestrians, and cyclists will be in place.
