

DESIGN PUBLIC HEARING

Armory Street Bridges over CSX Springfield, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Armory Street over CSX Bridge Replacement project in Springfield, MA.

How will this affect you?

The proposed project consists of the replacement of two bridges – the bridge carrying Armory Street over the active CSX tracks and the bridge carrying Armory Street over the abandoned railroad. The project limits are from the Genesee / Warwick Street intersection at the north to the Taylor Street intersection at the south. Within the project limits, the roadway will be reconstructed. The new roadway will be wider than the existing roadway and will include a standard sidewalk on the east side and a shared-use path on the west side. The shared-use path will be approximately 13'-6" wide in order to accommodate pedestrians, bicyclists, wheelchairs and strollers. During construction, Armory Street will be reduced to one travel lane carrying traffic southbound. Northbound traffic will be detoured during construction.

When

February 01, 2022
6:00 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website starting on February 8, 2022.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857-266-0603), fax (857-368-0602), relay 7-1-1, or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: dotfeedbackhighway@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: Carrie E. Lavalley, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Major Projects, PROJECT FILE NO. 609409
