

Reconstruction of Birnie Ave at Gerena School Pedestrian Tunnel

What is happening?

This Design Public Hearing is being conducted to allow the public to become fully acquainted with this Birnie Avenue Reconstruction project (MassDOT Project #610664). MassDOT and Design Consultants will present the current design plans, anticipated construction schedule and general construction impacts.

How will this affect you?

Due to on-going speeding concerns, a permanent speed table is proposed in the vicinity of the Gerena School Pedestrian Tunnel. Additionally, to address water infiltration issues in the Pedestrian Tunnel, waterproofing methods are proposed. As part of the construction, Birnie Avenue is not anticipated to be fully closed, however one travel lane may be closed at a time throughout the duration of construction.

When

April 2, 2025
6:00 PM

Where

Gerena Community School, Library
200 Birnie Avenue

Visit <https://www.mass.gov/orgs/highway-division/events> for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to MassDOTProjectManagement@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. 610664**
