# Design Public Hearing
# Sutton/Grafton – Depot St over the Blackstone River – Bridge Replacement

## What is happening?

This project proposes to replace the Depot Street bridge over the Blackstone River in the towns of Sutton and Grafton, MA. The project will address structural deficiencies and provide a new bridge that will last for many decades. It will also improve safety and pedestrian access by providing sidewalks on both sides of the bridge.

## How will this affect you?

A full bridge closure will be required and traffic detours will be provided. There will be some impacts to abutting properties during construction as well as in the final condition. All of these impacts will be presented at the hearing and there will be an opportunity to raise questions and concerns.

## When

Wed, June 8, 2022
6:30pm

## Attend

www.mass.gov/massdot-highway-design-public-hearings

**Please note this meeting will be transcribed by a stenographer.**
**Visit www.mass.gov/massdot-highway-design-public-hearings for more information.**

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857) 368-8580, fax (857) 368-0602, relay 7-1-1, or by email to MassDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to Dot.feedback.highway@state.ma.us
Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavallee, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Project Management – Major Projects, PROJECT FILE NO. 608640**
