

DESIGN PUBLIC HEARING

Drainage Improvements on State Highway

Tisbury, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for Drainage Improvements on State Highway in Tisbury, MA. The purpose of this Design Public Hearing is to provide the public with the opportunity to become fully acquainted with the drainage and stormwater improvements proposed along State Road, Beach Street, and Beach Street Extension in the vicinity of the “Five Corners” intersection in Tisbury.

How will this affect you?

The proposed project consists of drainage and stormwater improvements along State Road, Beach Street, and a portion of Beach Street Extension in Tisbury. The work includes installation of new catch basins and drain manholes, replacement of existing drainage pipes, utility relocations, construction of a subsurface infiltration system, pavement milling and overlay, and full-depth pavement construction.
