

## Virtual Design Public Hearing Bridge Replacement - U-02-051

### Homeward Ave over Providence Worcester Railroad, Uxbridge, MA

#### What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website for the replacement of the bridge Homeward Avenue over Providence Worcester Railroad in Uxbridge, MA.

#### How will this affect you?

The proposed project consists of the replacement of the existing superstructure due to its deteriorating condition. The proposed superstructure is to be constructed on the existing substructure. The superstructure will be widened to accommodate the roadway width along with a concrete type of barrier and sidewalk on each side. The existing abutments are proposed to be retained and modified to support the proposed superstructure. Bicycle accommodation consisting of usable shoulders has been provided in accordance with applicable design guides.
