

DESIGN PUBLIC HEARING

Rehabilitation of Mount Auburn Street (Route 16)

WATERTOWN, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Rehabilitation of Mount Auburn Street project in Watertown, MA.

How will this affect you?

The project includes the reconstruction of Mt. Auburn Street from the Cambridge City Line to the intersection with Summer Street, just east of Watertown Square, approximately 9,300 feet. The rehabilitation of the corridor involves the alteration of travel lanes and roadway geometry, including the implementation of a road diet. Bicycle accommodations including on-street buffered and non-buffered bicycle lanes, bus/bicycle lanes, and shared lanes (sharrows) are proposed along the corridor as space permits. Corridor wide Improvements also include the reconstruction of existing traffic signals, ADA compliant pedestrian facilities, and modernization of bus stops.

When

Thursday, November 4, 2021
6:30 PM to 8:30 PM

Attend

www.mass.gov/massdot-highway-design-public-hearings

Please note this meeting will be recorded. Information will be available on the website starting on October 21, 2021.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact Andrea D'Amato by phone 1 (857) 207-2511, relay 7-1-1, or by email Andrea.DAmato@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: massdotprojectmanagement@dot.state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie E. Lavalley, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02216, Attention: Project Management, PROJECT FILE NO. 607777**
