

Intersection Improvements at I-395 Ramps (Exit 2) and Route 16 and Sutton Road

What is happening?

The project includes implementation of a roundabout at the I-395 Northbound ramps and a new traffic signal and intersection modifications at the I-395 Southbound ramps to improve safety and traffic operations at the ramp intersections. Pedestrian and bicycle accommodations will also be included within the project.

How will this affect you?

The roadway will remain open with the use of temporary lane shifts.
