

Design Public Hearing

Bridge Rehabilitation at Stony Brook Road, Westford, MA

What is happening?

A Design Public Hearing for the proposed improvements along Stony Brook Road in Westford, MA will be held online (please see date, time, and link below). The purpose of this hearing is to provide the public the opportunity to become fully acquainted with the proposed project for the rehabilitation of the Stony Brook Road over the Stony Brook bridge project. The project aims to preserve the bridge, improve traffic safety, and minimize environmental impact while maintaining its historical look.

How will this affect you?

This Project will improve the structural integrity of this bridge and will improve vehicular safety along Stony Brook Road.
