

# DESIGN PUBLIC HEARING

## Main Street Bridge over MBTA Wilmington, MA

### What is happening?

A Design Public Hearing will be held on-line to present the design for the proposed **Main Street Bridge over MBTA Tracks** project. The Hearing will be live but on-line/virtual only. Access to the hearing can be found on the [mass.gov](https://mass.gov) website below.

### How will this affect you?

This bridge needs replacement. It will be demolished and replaced with a new bridge consisting of one 11-foot lane each way, 5-foot shoulders each way for bicycle accommodation and one 5-foot sidewalk on the western side. A utility bridge will also be built beside the new road bridge to help speed up construction. The new bridge will be built using accelerated construction methods to reduce traffic disruption however detours will be required.
