

Route 129 – Lowell Street Bridge over I-93 replacement

What is happening?

MassDOT will host a live, virtual design public hearing to provide the community the opportunity to become fully acquainted with the replacement of this bridge

How will this affect you?

The bridge will be replaced in stages with traffic allowed on the bridge during construction. Bike and pedestrian accommodations during construction will be provided also. To understand more, MassDOT encourages all interested members of the community to attend and learn more about this project.
