

Intersection Improvements on Chandler Street and May Street Virtual Design Public Hearing

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for the proposed Intersection Improvements on Chandler Street and May Street project in Worcester, MA.

How will this affect you?

The project is intended to improve the current roadway design and traffic control for Chandler Street. The proposed work includes the construction of two modern roundabouts at the northern and southern intersections of May Street and Chandler Street with the addition of median islands, curbing, and landscaping/hardscaping. The project will also include upgraded pedestrian, transit, and cycling facilities.
