Public Meeting Notes and Procedures

Public record

- While this virtual public hearing is not being recorded, MassDOT may choose to retain and distribute the images, audio and the Q&A transcript from this hearing.
- All parts of this hearing are considered public record.
- If you are not comfortable being recorded, please refrain from using the Q&A feature or you may choose to excuse yourself from the hearing. Information from this hearing will be posted on the Mass.gov website.

Important notes

- Your microphone and webcam are automatically disabled upon entering the hearing.
- This hearing will be open to questions and answers at the end of the presentation.
- Please take time to respond to our survey at the end of the presentation. Your feedback is important.

Notice of MassDOT's policy on diversity and civil rights:

- All MassDOT activities, including public meetings, are free of discrimination.
- MassDOT complies with all federal and state civil rights requirements preventing discrimination based on sex, race, color, ancestry, national origin (limited English proficiency), religion, creed, gender, sexual orientation, gender identity or expression, or veteran's status.
- We welcome the diversity from across our entire service area. If you have any
 questions or concerns, please visit https://www.mass.gov/nondiscrimination-in-transportation-program to reach the Office of Diversity and Civil Rights.

Thank you for joining our meeting. We appreciate your participation!

Agenda

- Introductions
- Public Outreach
- The Project
- Construction Process & Impacts
- Right-of-Way
- Environmental Permitting
- Questions & Discussions

Introduction of Panel

MassDOT

Anthony Christakis – Project Manger

Erin Kinahan – District 6 Project Development

Michael McNutt, Adetoyin Olaoye – Zoom Producers

Mark Hicks – ROW Compliance

Consultant Design Engineer – Alfred Benesch & Co.

Mike Ohrenberger, P.E.

Massachusetts Bay Transportation Authority

Robert Guptill – Service Planning for Bus Operations

Location Map

MBTA Commuter Rail (Needham Line)

Why was this project initiated?

Existing Conditions

- Latest inspection report (7/24/2022) reveals immediate action required
- Inspection Frequency Increased due to advanced deterioration to monitor safety
- Protective Shielding required to protect Railroad Below
- Temporary Barriers required due to missing Bridge Railings
- Barriers in roadway required due to bridge deterioration

Photos Documenting Existing Bridge Condition

Protective shielding in place Prevents debris from falling on track

Typical deterioration of bridge abutment

Photos Documenting Existing Roadway Condition

Temporary Traffic Barriers in place along roadway and railing

Temporary Traffic Barriers and Crash Cushions

How did we get here?

March

2021

Design Notice to Proceed (NTP) Issued May

2021

Began Field Investigations & Ground Survey March

2022

Pre-25% Design Meeting with project Stakeholders July

2022

25% Design Submittal Plans sent to City of Boston, DCR, and MBTA **January**

2023

25% Design Public Hearing

What do we want to accomplish?

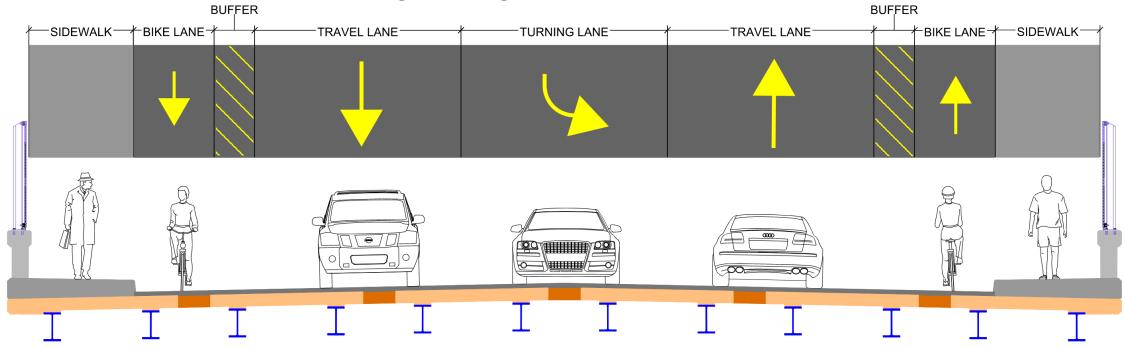

Project Goals

- Replace Structurally Deficient Bridge
- Accelerated Construction Techniques
 - Shorter construction duration than conventional construction
 - Minimize impacts to Traveling public and abutters
- Traffic and Complete Street Improvements
 - Buffered Bike lanes within the project limits
 - Coordinated with DCR and the City of Boston for future connectivity

Proposed Improvements between Rotary and Belgrade Ave

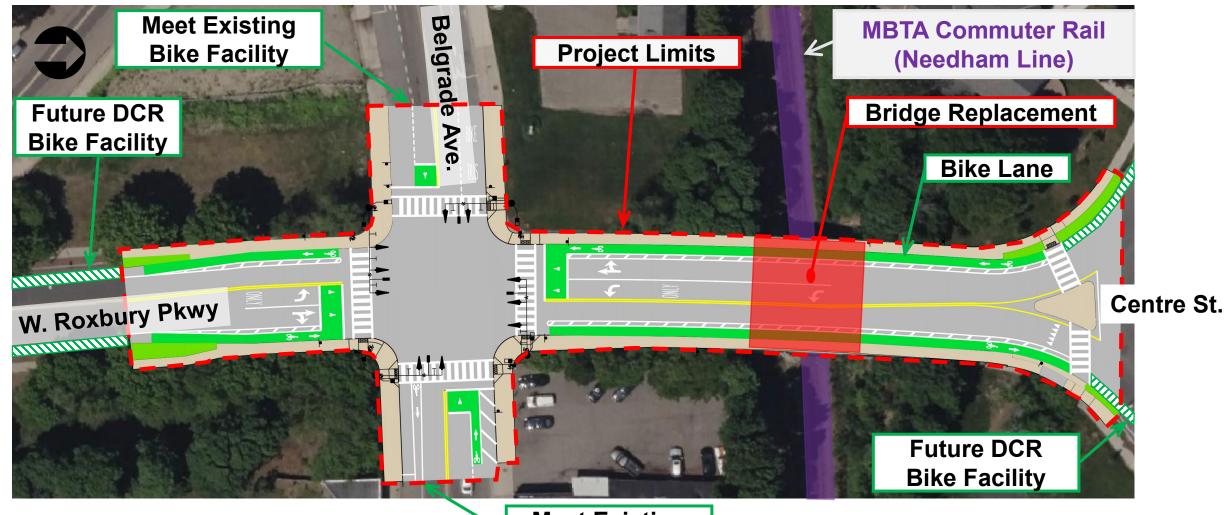

- Two 11 Foot travel lanes
- One 11 Foot turning Lane
- Buffered Bike Lanes in both directions
- New sidewalk and bridge railing

Typical Bridge Section

Proposed Improvements Overview

Meet Existing Bike Facility

What is the construction approach?

Construction Methods

Construction of Prefabricated Bridge Unit

I-93 Fast 14 Project Medford, Ma

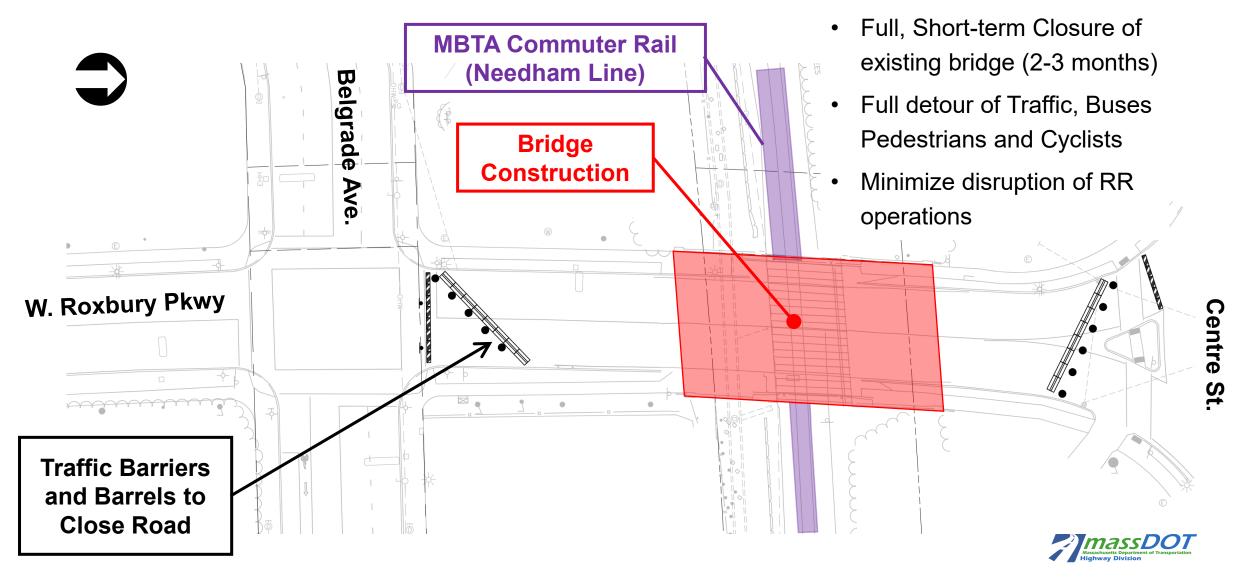

Construction of Precast Abutment Bridge Seat

I-90 Acceler8 Southborough, Ma

Accelerated Construction Details

Proposed Detour

MBTA Commuter Rail (Needham Line)

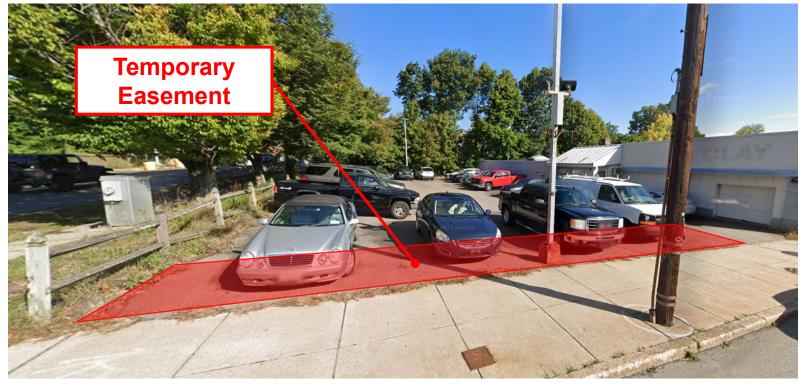

How will your property be impacted?

Right of Way (ROW) discussion – 25% Design

- Responsible for acquiring all necessary rights in public land for design, construction, and implementation of a project.
- Affected property owners will be contacted by personnel from the ROW Bureau or consultants representing MassDOT.
- Procedures must comply with state and federal regulations governing the acquisition process.
 - Property owners are protected under Massachusetts General Laws, primarily Chapter 79.
 - If project receives federal funds, property owners are further protected under Title III of the Real Property Act of 1970, as amended.
- Fee takings, permanent easements, and/or temporary construction easements may be required.

Impact to Property

361 Belgrade Avenue

What are the environmental, cultural resource, and community impacts?

Anticipated Permitting

- Categorical Exclusion Federal Highway Administration
- Section 106 (Historic Properties) Federal Highway Administration

Preliminary Estimated Schedule

January 2023

25% Design and Design Public Hearing

Spring 2024

Complete Plans, Specifications, and Estimate Submission

Spring/Summer

2024

Ready to Advertise Project for Construction

TBD

Advance to Construction

How will we keep you informed?
